Dear Mr Gibson:

This letter is in regard to the allegations made by your client in the Motion to Forego Mediation. This is an ongoing landlord tenant dispute which has caused this family much collateral damage.

The motion is littered with false and misleading statements and I wanted to bring it to your attention and ask that you retract all unfounded allegations. These allegations are threatening designed to cause me harm.

We have a call scheduled at 1:15 today. Please withdraw the motion as written. I look forward to speaking with you. This will give you time to properly address these unfounded and reckless allegations.

Your attention and cooperation is greatly appreciated.

Kindly,

Al M Williams, *pro se' litigant*
